### **About This Content**

This DLC Contains The Necromancer's Uprising Quest.

Help dark mage to conquer the surrounding lands.

I was always different from the other children  
I preferred solitude to their company and their foolish games  
One day I came upon a dark, eerie cave  
Inside I discovered an ancient spellbook  
I spent countless days and nights trying to master the dark mysteries it contained  
And now the time has finally come to show them all what I am capable of!  
No one can stop me now!
